REPORTING

Our system gives you on-demand or scheduled reporting that ensures you always have the fleet information you need, precisely when you need it.

REPORT TYPE & DESCRIPTION:

ACTIVITY:
Activity Detail - All Reported locations for each vehicle.
Begin/End of Day - The first start and last stop for any or all vehicles in your fleet.
Drive Time Summary - A Summary of fleet driving statistics.
Odd Hours - Report on driving-time violations.
Fleet Utilization - Utilization details on all fleet vehicles.
Idle Time Summary - Report on idle durations for your fleet.
Idle Time Detail - Report on individual idle stops for vehicles in your fleet.
Alert History - Detailed information on alerts.
User Activity - Login, reporting, and alert counts.
Vehicle List - List all registered vehicles in a specific group.

DIAGNOSTIC:
Performance - Most recently reported data from each vehicle.
Run Time - View odometer and run time totals.
Service Reminders - Pending service reminders for your fleet.

LANDMARK:
Landmark History - Detailed information on visits to known landmarks.
Landmark Group - Report on stop/idle time spent in a landmark group.

SPEEDING:
Speeding Violation - All speeding instances with location data for each.
Posted Speed Violations - Violations of local posted speed.

STOP DETAIL:
Stop Detail and Idle Time - Report summarizing stops and idle time.
State Mileage - See vehicle mileage by state and state mileage by vehicle.
